34th KAIZEN CONFERENCE & COMPETITION

4 - 5 March 2019: Pune

Call for Papers: Last date to submit Kaizen Sheet - 20th February 2019

Trophies will be awarded separately for OEMs & Non OEMs

CII TPM CLUB INDIA is organizing its 34th Kaizen Conference & Competition during 4 - 5 March, 2019 at Pune.

Kaizen Conference has emerged as a well-known unique platform for Indian Industries to showcase their innovative ideas in field of manufacturing improvements. This 2 days conference focuses and shares the information about best practices, innovative ideas, zero defect and zero accident philosophy, issues countered by companies on TPM journey & their practical solutions implemented by them.

Through this conference, CII TPM Club India – IQ always put it's one of the best feature to bring together experts, practitioners, counselors and professional people on TPM & Quality subject to exchange ideas, deliberate issues and learn in an informal setting. This Kaizen Conference will offer more than 75 best Kaizens from the industries to showcase their strong competitive and remarkable innovative ability in this constantly changing business paradigm scenario.
