

CONFERENCE ON EXCELLENCE IN WORKPLACE SAFETY & INDUSTRY VISIT

24 - 25 April 2019, Pune

In today's context, Business results, Sustainability & Branding of the Organization is determined by Workplace Safety which is now rightly trending to be a culture amongst Organizations. Today, workplace safety is beyond compliance and is about creating a productive, efficient, happy and inspiring workplace and proactive attitude to learn from indicators of unsafe conditions. The concept of the safety in the present era is also getting digitized making Safety foolproof with use of Technology. However, many Indian industries are still in the process of recognizing the advantages of Safe Work Environment and its impact on productivity and morale of the people. CII IQ is organising a conference on "Excellence in Workplace Safety", creating a platform for learning and sharing from each other. This is followed by a Plant Visit to get the first hand experiences on the safety practices.
