

MASTERCLASS

Business Stability and growth through Office "TPM" and Development Management

17 - 18 September 2019
Chennai

TPM Now has become the Need for every Organization who is looking in for a stable growth and a growth with proper Application of the Best of the TPM Techniques

In this process of Implementing TPM at the Plant level it is observed that all the 8 pillars are not given the same level of Importance. This creates an Imbalance in the application of the tool for the growth through TPM

Looking forward to the need of the Indian Industrial growth we need to strengthen the **Office TPM (OTPM) and Development Management Pillar (DM)** which drive the Organization to greater heights. It's very much required for all the Industries to implement these pillars deeper and wider.

TPM Club India understanding the need is arranging an Master Class from Non other than the Master, Mentor, Guru and JIPM Sr Assessor **MURSE SAN**

The Need to With stand self and the stable growth towards of Business comes from these two pillars understanding it leads to the stability in business growth
