Call for Papers

Being the main associate for the business growth in Indian Industry, CII Institute of Quality-TPM CLUB INDIA like to appreciate your organisation for opting TPM as a tool for business growth and would like to invite you to the 14th TPM Circle Competition happening in Pune on 22 September 2020.

Having achieved good level of results in TPM, the first focus is: "how effectively the organisation is integrating the Circle activities towards the expectations of business goals" and the second focus should be "how much more the Circles can be deployed in Bottom-Up approach towards the Management objectives".

There will be circle level case study presentations from various Companies/Plants under various KPIs. CII TPM Club India would be glad to have your Case Studies done by the Operator Level / Shop Floor Circles in the same forum. This will undoubtedly help your organisation to take the circle activities towards Business Excellence.

SN	Papers can be submitted in the below Categories
1.	TPM Circle – Jishu Hozen (JH) activities
2.	TPM Circle – Kobetsu Kaizen (KK) activities
3.	TPM Circle – Planned Maintenance (PM) activities
4.	TPM Circle – Quality Maintenance (QM) activities
