

BUSINESS EXCELLENCE

KNOWLEDGE SERIES- 2020

Webinar based - Learning Sessions

CII Institute of Quality has been promoting “**Excellence**” in the Indian Industry since the Inception of the CII EXIM Business Excellence Awards in 1994 and supporting them on their Excellence journey. In the past 25 years, we have supported Organizations who went on to become **Award winners** and showcased them as **role model organizations** for others to learn and emulate also bringing world-class operating philosophies and practices to enable Indian Industry to become globally competitive. The offerings have graduated from Awards to Trainings to a host of services in the recent years that includes Assessments, Certification Programs, Recognitions and several Best Practice Sharing events.

Towards our efforts to promote the good practices in the area of Excellence, and to leverage on the online platforms for effective reach to the members, we are glad to announce the “**Business Excellence Knowledge Series-2020: Good Practice Sharing Webinars** for the industry professionals to share & learn from each other and **from the subject experts and Industry Practitioners**. The **monthly** sessions have been designed to benefit the professionals for enriching their skills & adopting unique techniques and practices.
