Initiating Excellence

Organizations initiating Business Excellence through a baseline assessment

Assessments can be scheduled on mutually convenient dates throughout the year

Process steps

A 2 day dip-stick assessment by two Assessors interacting with key personnel of the organization to understand their process and performance maturity.

This would involve a walkthrough of Business, Support and Management processes with the associated results based on excellence framework requirements. This category of assessment does not require any formal documentation.

Output

- Baseline score of organizational maturity on a 1000 point scale
- Prioritized action plan and roadmap with milestones

Support

CII will facilitate Organizations to progress on the suggested roadmap through hand holding visits, customized training through appropriate frameworks.

On completion of this phase, Organizations can progress to the Internalizing Phase. Initiators would generally take 12 - 15 months to move to the next phase.

Recognized for Adoption of Excellence @ CII Business Excellence Conclave
